Chapter 1 by A_Merry_Kat

Today tomorrow, some say sorrow 's a concept not so strange,
Today tomorrow some say sorrow 's nothing but a game.

Some say tomorrow, some say today,
Some say today, some say tomorrow.

How many today's to make a tomorrow,
How many tomorrows to make a today?

If tomorrow's tomorrow's tomorrow's today,
Today's which tomorrow's tomorrow?
Today's and today's melt to tomorrow's melt away.

In the crawl of today tomorrow, tomorrow today,
In the wait of tomorrow's tomorrow,
~~I think my mind has faded away.~~

So today, make the most out of it

Complications may happen today
And tomorrow it may solve on its own
Today's fare doesn't always define tomorrow
And tomorrow defines its own fare

Today's today is not tomorrow's today
Tomorrow's today is similarly not tomorrow's tomorrow
And I just lost my money today.

Chapter 3 by Japhet

Today, I prepare for tomorrow
Tomorrow, I fret over my today
So I simply live what is today
For tomorrow has life on its own

What I see, what I hear today
When I leave, I leave it here
Tomorrow I will see and hear
And tomorrow I will leave it there

Today is not tomorrow
Tomorrow is not today
Today I write
Tomorrow I sleep

Chapter 4 by -

Today will be tomorrow what
Tomorrow was once today

—

Today is not tomorrow

Tomorrow is not today

The words of today fade away
and are forgotten

The words of tomorrow are
yet to be said.

Today we act and think for
Tomorrow, to be prepared
for what it will bring.

Today is now tonight
I now turn off the light.

Chapter 5 by -

Today may seem like the end
Tomorrow may be the end
But until that moment we
We must press on in this life.

Something may crash today
Something may fall tomorrow.

Someone might come today
Someone might leave tomorrow.

Today will always be today
Tomorrow will always be tomorrow
And there is nothing gonna stop it
Nothing to stop the world from spinning.

Chapter 6 by Enigma „previously ObjectLiterature

Mysteries of today and tomorrow
wondering every tomorrow and today.

I still have a lot to learn
and my mind on a today

Some tomorrow is today

and today is tomorrow.

Wondering about the tomorrows and todays
but what about the tonights and dusks and dawns.

I won't mind the yesterday
but tomorrow is a mystery.

And today is a known fact
that nothing will get better.

Since I have spent my tomorrows and todays
wondering about silly little facts like that.
